Useful Websites

www.batcon.org Bat Conservation International, BCI is one of the best sources for general information on bats, bat houses, bat research and bat merchandise. This site is loaded with great information and good things for kids as well as links to other good web sites.

www.batconservation.org Organization for Bat Conservation, OBC is another great source for general bat information and bat house information.

www.basicallybats.org Basically Bats is very user friendly and has information geared for children. Kids will enjoy Benny the Bat.

www.speleobooks.com Speleobooks is the best source for great bat-related items. They carry a great selection of books, toys, clothing, collectibles, etc.

www.lubee.org The Lubee Foundation is a fruit bat research facility. It's web site has some wonderful photos of bats from around the world. You should definitely download the free BATS A to Z powerpoint.

www.batplants.co.uk/introduction.htm This is a great site for information on the connections between bats and plants. It highlights some key plants from around the world and discusses the role of bats in their natural history.
